## MOTTOS

"Allah will not lay down a person, but according to his ability".

(QS Al-Baqarah: 286)

The key is, Involve Allah in every problem it's up to you.

“There is always a price in a process. Just enjoy the tiredness . Expand that sense of patience again. Everything you invest in to make you the person you dream of, may not always work out smoothly. But, you can tell about the waves later.”

(Chandra Boy)

Other people will not be able to understand our struggles and difficult times, all they want to know is the success story. Fight for yourself even though no one will applaud you. In the future, our future selves will be very proud of what we fought for today , keep fighting.

## DEDICATION

*I dedicate this thesis to:*

- ❖ Allah SWT for His mercy, His mercy, His Messenger and everything that was given to me.
- ❖ First for myself, because I have been willing to fight and endure until now to get to this point.
- ❖ My beloved father (khairul bahri) and mother (Wan Armah) who has prayed for, raised, and educated both physically and mentally through many struggles and sacrifices. ## **ABSTRACT**

**Putri, Rohaya. 2023 Use of Multimedia to Improve Students' Reading Comprehension (Quasi-Experimental Study in Class VIII SMPN 18 Bengkulu City)**

**Supervisor I :Syamsul Rizal, M.Pd**

**Supervisor II: RekoSerasi, MA**

The aim of this research is to reveal students' weaknesses in reading at SMPN 18 Bengkulu City. The weak ability to read at SMPN 18 Bengkulu city is caused by several factors, namely the lack of learning media and also adequate facilities used by teachers in teaching. This research was conducted at SMPN 18 Bengkulu City. The research subjects were class VIII students, namely class VIII.1 as the control class and class VIII.4 as the experimental class. This study used a quantitative method in the form of class action both in the control class and in the experimental class to obtain the findings of this study. The findings show that the application of multimedia as a teacher's tool in teaching or also called learning media can help students improve reading skills.
