Artinya: Allah tidak membebani seseorang melainkan sesuai dengan kesanggupannya. Dia mendapat (Pahala) dari (Kebajikan) yang dikerjakannya dan dia mendapat (siksa) dari (kejahatan) yang diperbuatnya. (mereka berdoa), “Ya tuhan kami, janganlah engkau bebani kami dengan beban yang berat sebagaimana engkau bebankan kepada orang-orang sebelum kami. Ya tuhan kami, janganlah engkau pikulkan kepada kami apa yang tidak sanggup kami memikulnya. Maafkanlah kami, ampunilah kami, dan rahmatilah kami. Engkaulah pelindung kami, maka tolonglah kami menghadapi orang-orang kafir.”

The object of this research is an English textbook entitled "BIG SHOW" published by PT. Asta science of success. This research is a form of evaluation by using an evaluation checklist as a data collection technique. The data was then analyzed through 4 stages, namely data collection, data reduction, data presentation, and conclusion. The results showed that the big show book included several themes from the project to strengthen the Pancasila student profile in the independent learning curriculum and the most dominant theme was the sustainable lifestyle theme with a percentage rate of 44.44% and the results showed that the standard of "Big Show" textbook “This is very good” according to the evaluation criteria where the percentage of 97.27% is in the Very good category. However, this book does not include elements of local culture from various regions, it is good that the publisher includes these elements because students are not simply familiar with the culture of the target language but also the local culture.
