### **DEDICATIONS**

Alhamdulillahirabbil'alamin, all thanks be to Allah SWT, because thanks to His grace and guidance the author was able to complete this thesis well. Sholawat and greetings are always poured out to the Prophet Muhammad SAW, as well as his family, friends and followers until the end of time. The author is proud and happy to express his gratitude and thanks to his family, relatives and friends who have provided support, encouragement and prayers, therefore this thesis is dedicated to:

- 1. My beloved parents, Father Ahmad Atiek and Mrs Hasanah, who have raised me with great love, educated the writer, given encouragement, motivation and always prayed for the writer to complete his studies to graduate school. I can't possibly repay the love and affection with just a piece of paper with the word offering, but I hope this is the first step to happiness for Mom and Dad.
- 2. To my beloved Atisah who has provided support to the writer so that the writer can be at this point, thank you very much
- 3. For Mr. Dr. Irwan Satria, M.Pd as supervisor 1 and Mrs. Feny Martina, M.Pd as supervisor II, who have been patient in guiding and directing the author for the completion of this thesis.
- 4. To all my little brothers and sisters who are currently studying, I am also enthusiastic and thank you for all your support, love and affection which makes the author more enthusiastic about going through the day until he finishes this lecture.
- 5. Dear Aji Nugraha who always accompanies and always becomes the writer's support system on difficult days during the thesis writing process, thank you for listening to your concerns, contributing a lot to writing this thesis, providing support, enthusiasm, energy, material thoughts and assistance and always be patient with me, thank you for being part of my journey to writing this thesis.

- 6. To my extended family, the author would like to thank you very much for the support and enthusiasm during this lecture until the author can complete it.
- 7. Thank you to all teachers, lecturers, especially lecturers from the English Education Study Program, Fatmawati Sukarno State Islamic University, Bengkulu.
- 8. There is nothing I can say other than thank you to my friends, Tari Wulandari, Tina Yulia, Indah Fuji. Who has colored my days in completing this thesis, with various jokes and laughter.
- 9. A proud almamater that has made you a better person, as well as your nation and state.

## **MOTTO**

Keep trying even though sometimes it doesn't meet your expectations because

Allah has a better plan beyond your expectations
